Do not give your benefit to another person

Lifeline is non-transferable. You cannot give your Lifeline benefit to another person, even if they qualify.

Be honest on this form

You must give accurate and true information on this form and on all Lifeline-related forms or questionnaires. If you give false or fraudulent information, you will lose your Lifeline benefit (i.e., de-enrollment or being barred from the program) and the United States government can take legal actions against you. This may include (but is not limited to) fines or imprisonment.

You may need to show other documents

CERTIFICATION OF Mediapolis Telephone Company
Reporting Period January 1 – December 31, 2018

Section 54.313(f)(1)(i) Milestone Certification

Pursuant to § 54.202(a) Mediapolis Telephone Company (MTC) certifies that it has taken reasonable steps to provide, upon reasonable request, broadband service at actual speeds of 10 Mbps downstream / 1 Mbps upstream, with latency suitable for real-time applications, including Voice over Internet Protocol, and usage capacity that is reasonably comparable to reasonably comparable offerings in urban areas, and that requests for such service are met within a reasonable amount of time. MTC will continually provide service as requested to new residential and business structures within its service territory as long as it can cost-effectively extend a voice and broadband-capable network to that location requesting service. In determining cost-effectiveness, MTC considers anticipated end-user revenues as well as federal universal service funding. MTC views unreasonable requests as those which the incremental cost of undertaking the necessary upgrades to the location exceed the revenues that could be expected.

I verify that the foregoing is true and correct. Executed on June 11, 2019.
